## Tutor view

The Tutor view interface is divided into three main sections:

- Course content:** A sidebar on the left with a 'Course overview' and 'Download links' section. Below it is a 'Weeks' section with a 'Drag and drop to re-order' instruction and a list of week titles: 'The makings of a healthy diet', 'Why do we eat what we eat?', 'Food and disease - what is the we', and 'Nutrition fads, myths and the pla'. An 'Add week' button is at the bottom.
- Week 1: The Makings of a Healthy Diet:** The main content area, featuring a 'Welcome to the course' video thumbnail. Below the video is a description: 'During this first week of the course, we will explore how food and nutrients affect our health.' It includes 'Edit this week' and 'View' buttons, and an 'Activities' section with a 'Drag and drop to re-order' instruction and a list of activities: 'Welcome to the course', 'Diet through the centuries', 'Components of the healthy diet', 'Nutrients in food', and 'End of the week summary'. An 'Add activity' button is at the bottom.
- Steps:** A section at the bottom with a 'Drag and drop to re-order' instruction and a list of steps: '1.1 Welcome to the course!' (VIDEO), '1.2 Welcome to Week 1' (VIDEO), and '1.3 Food diary' (ARTICLE). Each step has a plus icon on the left and a colored button on the right.

## Student view

The Student view interface features a navigation bar at the top with four tabs labeled 'WEEK 1', 'WEEK 2', 'WEEK 3', and 'WEEK 4'. The main content area is titled 'WEEK 1: THE MAKINGS OF A HEALTHY DIET' and includes a 'Welcome to the course' section with a video thumbnail and a description: 'Welcome to our four-week journey about nutrition.' Below this is a list of activities: '1.1 WELCOME TO THE COURSE! VIDEO (01:44)', '1.2 WELCOME TO WEEK 1 VIDEO (00:56)', and '1.3 FOOD DIARY ARTICLE'. The 'Diet through the centuries' section follows, with a description: 'Explore the way dietary habits have changed over the last million years from 'Stone age to Obese age'' and a video thumbnail. The final activity is '1.4 HOW DIETS HAVE CHANGED FROM THE AGE OF THE CAVEMEN TO CURRENT DAY VIDEO (09:11)'.

# Steps

- Article – can be open to external visitors as a way to promote your course.\*
- Video – technical guidelines, HD, MP4/MOV/M4V, transcript.\*
- Audio – MP3.\*
- Discussion.
- Quiz – unlimited attempts, no score.
- Test – 3 attempts, scored, info screen with rules.
- Poll – graph of results.

*Each Step can also have related files or links.*

*\*Comments function available.*

---

The screenshot shows the FutureLearn Course Creator interface. The browser address bar displays the URL <https://www.futurelearn.com/admin/courses/training-course-2/1>. The navigation menu includes 'University of Aberdeen', 'Course details', 'Content' (highlighted with a green circle), 'Certificates', 'Emails', 'Facilitation', 'Team', 'Stats', and 'Marketing'. Below the navigation, the breadcrumb path is 'Manage course / Run: Future Learn - Sandbox'. The main content area features a heading 'Future Learn: Getting Started' and a video thumbnail showing a woman at a computer. Below the video, there is a 'Sandbox area for Kirsty and Lynsey.' and several action buttons: 'Edit this course run', 'View course run details', 'Import content from another course run', 'Learning outcomes', 'Manage organisation relationships', and 'Duplicate run details to all upcoming runs'. At the bottom, there is a section for 'Primary educator' with a description: 'This changes who feedback appears from (such as quiz feedback). It also sets the default signature for course emails.'

# Review of session / next steps

- Items created in a sandbox can be imported to real course by Future Learn partner. (Katherine Weber)
- FL require 30 days to quality assure each new course.
- Creating / uploading / editing.
- Course areas available now on FL.
- Separate run for each cohort.
- Graduate trainee available for support building and uploading.
